

ADMISSION

Thank you for considering **The Asian Institute of Media and Communication Bangladesh (AIMC)** as the next step in your continuing education. We understand that choosing the right institute is one of the most important decisions a student can make and we value the confidence and trust that you place in us.

Please study the following for a smooth experience of processing your admission at AIMC Bangladesh.

Step 1

Please fill in the online Admission Form available at the bottom on this page. In case you wish to fill in the printed Admission Form, please do visit the Admissions Office at the institute campus and meet our Admission Counselor who will offer all the assistance you need.

Step 2

Your admission form will be reviewed by our admissions team. Once all required documents have been submitted, the admissions team shall contact you to book an onsite assessment. If a student is out of the country and unable to attend an assessment in person, the application is shared with the Admission Counselor for review of the submitted academic records, and a provisional acceptance can potentially be granted in advance of an assessment. If a provisional placement is granted, students are still required to complete an assessment upon arrival, for class placement and teacher allocation purposes.

Step 3

The Admissions Team will contact you with an update on your admissions verdict. Possible admissions outcomes include the following:

- *Full acceptance (based on academic assessment)*
- *Provisional acceptance (based on assessment to follow)*
- *Please note that if a student is accepted and given a place at **AIMC Bangladesh**, you will be advised to proceed with the payment of applicable fee.*

Step 4

*Upon payment of the applicable fee, student is allotted a class and begins his/her journey at the **Life of Creativity**.*
